 © *Fall From Perfection*  
 Barcode: 791943588266  
 Running time: 59:58

The band is stealthily making an impact with their original sound. Not your run-of-the-mill female-fronted metal band, the foursome use a simple formulation to great effect. A genuinely original mix of groove metal riffs, catchy melodies, interesting arrangements and intelligent content.

An impressive live unit, this band is now seeking to promote the album and build a following through modern marketing and in-your-face giggering.

To discuss album reviews, gig offers and general promotion and distribution opportunities, please contact the band direct on the details at the top of the page.
